B-Division Personnel

Will you place Dr. James Nolan, Dr. Luis Hempelmann and Mr. Wright Langham in the B-Division. The effective date of their transfer should be their date of sailing.

Dr. James Nolan will terminate with this Project at the conclusion of the Crossroads operation. He will wish permission to move his family and household effects to St. Louis about 24 March 1946. He himself will take "leave of absence" for about 7 days at that time. His return expenses to St. Louis may be paid upon his termination with this Project to which he will return for a short time after the Crossroads operation.
